

Client Case Study

Speaking your customer's languageSM

Office DEPOT *Taking Care of Business*

- LanguageSpeak translated into Spanish www.officedepot.com, the second largest e-commerce site on the worldwide Web
- The site is a mirror image of its parent English site
- The translation included over 15,000 office supplies

This site has received considerable recognition in leading the way for US companies reaching out to US Hispanic Market via comprehensive localization of existing E-commerce platform.
